VALLE VERDE NEIGHBORHOOD PARK'S FUTURE

by Adrienne Robillard

At present, our neighborhood park, located on Banyan Circle, adjacent to Valle Verde Elementary School has one picnic table, a trash can, a drinking fountain, and ample room for improvement. Mike Vickers, City Services Manager, has been wonderfully working with us to give our park a much needed facelift and some TLC. Proposed improvements include 2 new picnic tables, a new park sign, a BBQ, landscaping upgrades, and natural play elements for young children. Expect to see some changes in the next couple of months.

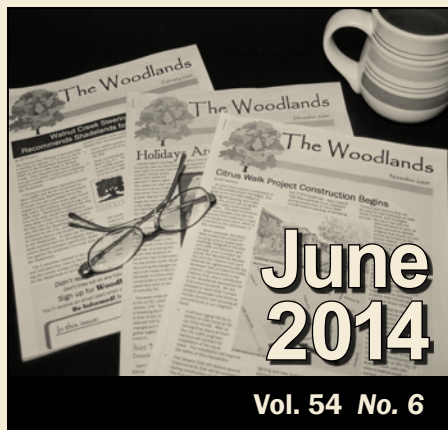

Be a part of transforming our neighborhood park into a community gem!

On September 27th, as part of Walnut Creek's Annual Community Service Day, the Woodlands Association will be sponsoring a day dedicated to transforming our park into a neighborhood asset. If you'd like to be a part of this fun community event, please email woodlandswalnutcreek@gmail.com. There will be morning and afternoon opportunities. The City will be providing landscaping materials and we just need Woodlands neighbors to beautify our "diamond in the rough." We will remind you in future newsletters about this fun community building event.

Get Involved: Join the Welcome Committee

Have you ever wondered how to become better acquainted with your neighbors? Have you wondered how you might have a greater sense of belonging here in the Woodlands? Often, the best way to get plugged into what's going on is to get involved. We'd love to have you join us in helping welcome new neighbors, and overall help you feel connected to the place that you call home.

So how can you get involved? We'd be glad to have you send an email to woodlandsasn@yahoo.com, with the subject line Welcome Committee. Tell us about yourself, because if we find out someone new to the neighborhood shares a passion of yours, it would be great to help you both know, if that's something you'd like. If you have an idea on how we can better welcome new neighbors, we're all ears – the best ideas come from working together. So please get involved, and help us to continue to enhance the Woodlands well-deserved reputation for being a close knit, welcoming, and fun community.

Upcoming Woodlands Board Elections – Woodlands President Election

The Woodlands Board of Directors is made up of four elected and several appointed positions. As required by the by-laws, the elected positions serve two-year terms. When Board members resign prior to finishing their terms, the Board fills these positions by appointment, as allowed by the By-Laws.

While two Board positions were up for election this year for President and Secretary, no one sent in a "Statement of Interest" for the Secretary position; therefore, only the President position will go through the ballot process at this time. The Secretary position will be advertised and appointed by the Board at a further date.

Elections for Woodlands President: The July 2014 newsletter will also include a ballot that will allow Woodlands residents to vote for a Woodlands President for a two-year term. All submissions or questions should be sent to the Woodlands Board at P.O. Box 31085, Walnut Creek, CA 94598 or by e-mail at woodlandsasn@yahoo.com no later than June 5, 2014.

Statement of Interest:

Erik Ehlers for the Position of

President of the Woodlands Board of Directors

Having lived in Walnut Creek's amazing Woodlands neighborhood for about 4 years now, I believe it to be a welcoming, close knit and indeed special community. In order to continue to enhance the many wonderful aspects of this neighborhood, I would like to continue to serve on the board of the Woodlands Association in the role of President.

I humbly request your support.

Warmly,

Erik Ehlers

Happy Father's Day to All Our Wonderful Woodlands Dads!

Open Position: Newsletter Circulation Manager

How Does This Newsletter Appear on Your Doorstep?

Just how does the Woodlands newsletter arrive on your doorstep every month? Find out by being part of the team! We are looking for a new Newsletter Circulation Manager to contribute 1-2 hours/month to the community. Attendance at our awesome monthly board meetings is optional but encouraged at Denica's (yum).

The job is a simple and straightforward way to make a difference in the community, and appropriate for a responsible high school senior (looking for something unique on your college apps?) and adults alike.

The way it works: the printer delivers the newsletters to your house each month. You then take the bundles to two distribution points in the neighborhood, and from there they are delivered to our homes. You will also maintain the list of volunteers (in Excel) who deliver the newsletter throughout the neighborhood. Each month you mail a copy of the newsletter to advertisers who do not live in the Woodlands (about 5-10 total). If you are interested in knowing more, please email woodlandswalnutcreek@gmail.com or call Adrienne at 415-615-2647. We look forward to hearing from you!

Book Club: Ladies, Please Join Us!!

Do you like to read?

Do you like to socialize?

Do you like to meet people from diverse and interesting backgrounds?

Do you like to get out once in a while?

Are you between the ages of 20 and 100?

If you answered "YES" to any of these questions, you are perfect for our group! We've joined together to form a book club, and meet the last Friday of the month to socialize and discuss a chosen book. We've just finished "The White Queen" by bestselling author Philippa Gregory, and our next discussion, on May 30th, will focus on "Franklin and Eleanor: An Extraordinary Marriage" by Hazel Rowley. Please consider joining our group! ... You do not have to host anyone in your home; and we meet within walking distance of everyone! Come find out what interesting people live in your neighborhood! Call Jan Gall at (925) 933-3244 for information. We look forward to meeting you!

Be on Guard- It's Tick Season

Due to drought conditions and a warm spring, ticks are in more abundance this year. According to the California Department of Health, ticks are small, insect-like creatures most often found in naturally vegetated areas. Ticks feed by attaching to animals and humans, sticking their mouthparts into the skin, and sucking blood for up to several days. There are many different kinds of ticks in California, but only six kinds are known to commonly bite humans. Sometimes these ticks carry germs like bacteria or viruses that can be transmitted to a person while the tick is attached and feeding. Although most tick bites won't transmit a disease, some can, and there is no vaccine to protect you from most of these diseases. If you spend time outdoors, it's almost impossible to avoid ticks completely. But you can take steps to lower your risk of getting bitten or of becoming ill. According to Harvard Health, here are some measures you can take to avoid infection:

Protect yourself: Avoid wooded, bushy, or grassy areas whenever possible. When venturing into them, wear light-colored clothing with long sleeves and long pants. Use an insect repellent that contains DEET.

Check yourself: After you've been out in tick territory, undress and examine your skin, using a mirror for hard-to-see places.

Remove ticks promptly: If you find a tick, use narrow-tipped tweezers to grasp it as close to your skin as possible, and pull upward slowly and steadily. Then wash your skin and hands with soap and warm water. Never crush or squeeze an attached tick.

If you have been exposed to ticks and you develop flu-like symptoms or a rash, see your clinician—even if the symptoms go away on their own. A tick-borne infection usually causes no lasting harm if it's recognized and treated early. Also, please don't forget checking your pets for ticks as they, too, could get sick and die from tick bites. For more information, please go to <http://www.cdph.ca.gov/HEALTHINFO/DISCOND/Pages/TickBorneDiseases.aspx>

Rattlesnake Warning

Rattlesnakes have been found in abundance already this year not only in the Open Space areas, but on our residential streets. Please keep your eyes open while hiking and walking the trails and sidewalk streets. Snakes are more likely to find a warm rock or paved area to soak up the warmth during the day but move around more when it's cooler. If you find one in a residential area, you can call the Contra Costa County Animal Control during business hours at 925-335-8300. After business hours, contact the Walnut Creek Police through the Dispatch Center at 925-935-6400. <http://www.co.contra-costa.ca.us/index.aspx?NID=59>
