VOLUME XX, ISSUE VII AUGUST 1982 Walnut Creek, CA

PRESIDENT'S MESSAGE

It's STEER 'N' BEER time again! On Sept. 11, the Cabana Club will hold its annual ADULT PARTY. Mark your calendars now for this stellar social event. For newcomers and old-timers alike, this celebration is lots of fun and is a great opportunity to meet your neighbors, support the Cabana Club, and have an all-around GREAT time. Details are announced elsewhere in the newsletter.

Interland's proposal for a three story (but less than 40 feet high) office building just north of HMS Endeavor has been approved by the Walnut Creek City Council. The Board met with Interland representatives to review the plans and we were all very impressed by the committment to quality design and construction shown during the presentation.

All Woodlands Association members are urged to attend any Board meeting (next meeting at Nick Knueppel's, 3403 Cassena Dr., on Sept. 4, at 7:30 PM) or contact any Board member with your comments, questions or suggestions.

CANAL TRAILS

Starting at last!! The bid will go out July 21st and construction should begin early August. The final presentation will be before the council on August 3rd.

The canal trail on the other side of Ignacio will be completed after our section is done. November is targeted for total completion.

C A B A N A C L U B C O R N E R

Very special thanks to Bryan Krause and Woody Shields, and their hard-working committee, for a successful "Pasta Night." Everything went smoothly and all who attended had a good time. We all appreciate the most generous contribution of delicious macaroni from Sorrento's, courtesy of Tullio & Nancy Giannini. THANK YOU ALL!!!

We would also like to thank the following merchants who have donated gifts to help make our Fourth of July celebration a really great one!!

CABANA CLUB MEN'S POKER NIGHT

Gentlemen members of the Club are invited to an evening of card playing and other cerebral activities Friday, Aug. 20 at 7:00. Food and appropriate beverages will be served. Start saving your change and see you there. Contact Woody Shields (933-9348) or Bryan Krause (939-1414) for further information.
