FEBRUARY, 1991

WALNUT CREEK, CALIFORNIA

President's Message

The Walnut Creek Planning Commission has approved a plan to open a sizable day-care center in the Burton Village Shopping Center. The planned Springfield Montessori School plans on enrolling 80 to 100 children aged 2 to 6. The number of children at the school at any one time will be far fewer because of its staggered programs. The school will occupy the building currently occupied by the Movieland video rental store that will move elsewhere in the shopping center.

The next meeting of the Board will take place on Wednesday, February 13 at 7:30 p.m.

There will be an all-team kickoff and information night for old and new swimmers and their families on Friday evening, April 12, at Valle Verde, and then sign-ups will be the next morning, April 13th, at the pool. Watch the green sheet and flyers for more details.

The official 1991 schedule is attached. Any questions regarding scheduling should be directed to Caroline Knueppel, 932-7773.

The swim team is looking for someone to rebuild our green starting blocks. Please call Art Yeend, swim team president, if interested (946-9812).

Cabana Club Corner

Plans are already underway for our 1991 summer season. The Cabana Club is not only a place to swim but also a gathering spot for relaxation and getting together with our neighbors. We are looking forward to an expanded calendar of social events and activities that will focus on the entire family. If you have suggestions or would like to participate in the planning process, feel free to contact our Vice President, Annette Babbitts, 933-5672.

If you meet anyone who would like information regarding membership, please direct them to Fred and Pam Ratarro, 676-1715. They will be happy to answer questions regarding our facility and membership options.

We look forward to seeing everyone at the Art Auction on February 9. Details and directions are included with this newsletter. The Cabana Club Board would like to extend a tremendous thank you to a very special lady, Paulette Homich, for serving as chairperson for this event!
