## **Safeway is Requesting the City to Consider Retail in the Shadelands**

*By Ed Wohlers*

Fellow board member Joe Casey and I were invited to a meeting with two employees of Property Development Centers (a Safeway subsidiary) and a Safeway consultant on May 31<sup>st</sup> to discuss the 24+ acre Shadelands Business Park parcel (owned by Safeway) located at the corner of Oak Grove Rd. and Ygnacio Valley Rd. The purpose of the meeting was to obtain an understanding of the community's thoughts on development of the parcel. We appreciate their efforts and see this as a good sign that they took the time to reach out to the community at an early stage of the process.

The proposed project includes relocating the Encina Grande Safeway to a new 55k sq. ft. store that would anchor a retail redevelopment of their Shadelands property, amongst other shopping possibilities. However, the current zoning regulations do not allow retail of this nature and an amendment to the General Plan would be necessary for this project to move forward.

Deb Karbo, Director of Development for Property Development Centers, submitted the following information for the newsletter:

“Safeway has submitted an application to the City of Walnut Creek seeking a General Plan Amendment for its 25 acre parcel located on the northwest corner of Ygnacio Valley Road and Oak Grove Road. The application simply requests the Council grant authorization for Safeway to study alternative retail/commercial uses on the parcel. If the Council agrees to the study, it by no means grants approval for any type of development. Rather, it allows Safeway the opportunity to begin the process of working collaboratively with the neighborhood to solicit input and to formulate a plan that would ultimately lead to a formal development application. The only firm plan Safeway has for the site is to relocate their existing store from across the street. What else is built on the remainder of the site will be determined by Safeway working in conjunction with the neighborhood and the City. This will be a thoughtful, comprehensive process with many community meetings and many public hearings. In addition, there will be a thorough analysis of all aspects of the project from environmental issues to traffic impacts to project design. Safeway's goal would be to build a project that enhances the neighborhood. **The hearing for the General Plan Amendment request is set for August 2, 2011, 7 p.m. in the Council Chamber at City Hall, 1666 North Main Street.**“

Please check the WC website, <http://www.walnut-creek.org/services/citizen/granicus.asp> for possible changes to the date/time. For additional information you can follow postings on our website: [www.woodlandsassn.org](http://www.woodlandsassn.org) and you can sign up for our e-mail blast list (also located on the homepage) to receive e-mail updates on this issue. Feedback on this topic can be sent to our e-mail: [woodlandsassn@yahoo.com](mailto:woodlandsassn@yahoo.com).

The Woodlands Association is planning on attending this meeting to make sure that all parties understand the impact of a project like this and what a general plan amendment would mean in this area. All interested parties should consider attending this meeting to express your view point.

# Want to Write Something?

The Woodlands newsletter provides a community service by keeping neighborhood residents informed about issues and events of interest. We encourage Woodlands residents to submit articles for the newsletter and we regularly receive articles that are published in the newsletter.

If you would like to contribute an article, please contact us and we will be happy to work with you to help get it edited and published. Our publication guidelines are relatively simple – topics should be of interest to Woodlands residents, the newsletter can not be used as a forum to air issues between individuals, and articles may need to be edited to fit within available space (typical length is 200 words or less). To meet our publication schedule for a monthly newsletter, we have established a closing date of the 10<sup>th</sup> of each month. To the extent that space is available, articles received and ready for print by the 10<sup>th</sup> of the month will be published in the next version of the newsletter.

We appreciate your help in making the newsletter as informative, useful, and relevant to Woodlands residents. To submit an article, please write to [woodlandsassn@yahoo.com](mailto:woodlandsassn@yahoo.com).

# Successful Neighborhood Watch Meeting

By Dayna Wilson and Lucy DiBianca

The Peppertree Road neighbors held a *Neighborhood Watch* Meeting in May. We had a nice turn out of residents from around our block. Officer Rangel and Alicia Williams, Community Outreach Liaison, presented a very informative program answering many of our questions and concerns about safety issues and crime prevention. The “secret” to having the best crime prevention? A good neighbor! Why? There can’t be a law enforcement officer on every corner, so citizen involvement is essential to combat crime.

We were very impressed with the level of care and interest the Walnut Creek Police Dept. exhibited. The discussion covered Vacation Security, Home and Car Security, and Operation Identification. The police department depends on the community to let them know of any suspicious behavior or safety concerns in the Woodlands so that they can respond appropriately. Does your block have a Block Captain? Get involved, get to know your neighbors and together we can fight crime in the most effective way-before it happens!

Have a Safe and Happy Summer, Dayna Wilson and Lucy DiBianca - Peppertree Block Co-Captains

## Woodlands Board Elections

By Ed Wohlers

As discussed in prior articles, Woodlands Board elections will take place this month for open positions. The positions up for election to a voluntary two year term beginning August 1, 2011 are Treasurer and Vice President. We have not received any statements of interest for the Treasurer position and that position will remain open until a suitable candidate is identified (See the qualifications for this position in the June newsletter saved on our website [www.woodlandsassn.org](http://www.woodlandsassn.org) ). Justin Wedel has expressed interest in the Vice President position and his statement of interest was published in the June 2011 Woodlands newsletter. All Woodlands residents are members of the Woodlands Association and can cast their choice for open positions in the annual election. Each residence is allowed two votes and each voter must be 18 years or older.

Please send in your choice by completing the ballot below for the open position below to our mailing address, **Woodlands Association, P.O. Box 31085, Walnut Creek, CA 94598 by July 15, 2011.** Results of the election will be published in the August newsletter.

Valle Verde has subscribed to a wonderful website called IXL Math ([www.ixl.com/signin/valleverde](http://www.ixl.com/signin/valleverde)). We were able to purchase this program with PTA funds (thank you parents for your PTA dollars)!

IXL is a comprehensive math practice site for PreK-8th grade with an unlimited number of math practice questions in hundreds of skills - all of which are aligned to state standards.

Your students can access this webpage from home, so this is a great opportunity to practice math skills over the summer.

A letter with the log in information and password was sent home with your student. We've seen that the students are very excited to use this program in the computer lab and it helps them improve their math skills tremendously. We hope they continue to practice it as enthusiastically over the summer!

## MEASURE C UPDATE FOR NORTHGATE HS:

### Moving Forward with Facilities Improvements

The Mt. Diablo Unified School District approved \$1.5 million in funding from Measure C bonds to immediately be dispersed for a series of facilities enhancement projects at Northgate High School.

In a concerted effort, The Northgate Community Pride Foundation (NCPF), the school district, Northgate High School and the Northgate PFC, are all working as partners to ensure the approved funds from the Measure C bond initiatives are best allocated to serve the school and the students. These organizations have prioritized facilities improvement projects including matching funds for completion of the Northgate High School sports complex with the installation of permanent bleachers. Other projects listed include converting the auto shop into a new engineering facility, construction of new classrooms, renovation of bathrooms, and restoration of the girls locker room. NCPF will continue to fund raise with fresh campaigns for each new project.

“Assisting with the installation of permanent bleachers is the top priority as the Northgate Pride Foundation has already raised \$2.25 million of the total \$2.75 million needed to build the sports complex that has been in the works for over six years,” said Kassie Wenzell, president of NCPF. “This project is shovel-ready, has all the necessary district approvals for design and construction and is in position for installation in 2011. The Northgate Athletic Boosters capped bleacher fundraising with a generous \$50,000 donation to reach our goal.”

The list and prioritization improvements were made in conjunction with the 2011 Northgate High School strategic plan set forth by the high school and the Northgate PFC.

The Woodlands Swim Team depends upon community donations to keep recreational swimming "afloat" for swimmers ages 4 to 18. The Woodlands tax identification number is 94 1532162. The benefits help elevate young athletes' self-image, promote sportsmanship, team spirit and leadership skills. Teen swimmers learn how to be positive role models.
