CABANA CLUB CORNER

It is finally time to put on your bathing suit and join your neighbors at the Cabana Club. We look forward to a summer full of activities which make ours such a special community. Please take the time to meet our many new members when you come to the pool. If you have any questions or suggestions throughout the summer, contact any board member. Our telephone numbers are posted at the pool.

This newsletter should be distributed during the first week of each month. If you hear of members who are not receiving their copy, let a board member know so that we can get the information to them. This is the year to "reach out to someone". We are publishing a membership directory so that we can all get to know each other a little better. You should be receiving your copy shortly.

As with any organization run by volunteers, we always need people to help with the activities. If many people give just an hour serving at the Sunday Brunch, helping with the July 4 festivities, or assisting with any of the summer activities, the work load is shared and the enjoyment is extended. Please be an active participant in your club by calling Annette Babbitts (933-5672) to see what you can do to help out.

Don't forget to mark your calendars for SATURDAY, JUNE 15, AT 8:00 PM for the annual MEN'S POKER NIGHT. The fee of \$5.00 will cover the cost of food and beverage. The skill is up to you! Contact John Rooney (930-8634) or sign up at the pool if you don't want to miss out on this popular traditional event.

If you have questions regarding membership, contact Pam Rattaro (676-1715). If you need information regarding the swim lesson program, call the pool office (938-7628). We are happy to report that we have joined the 20th century with an answering machine at the pool, so we can answer any questions in a more timely fashion.

Be sure to read the attached flyer regarding the July 4 festivities. We have made some changes this year and anticipate a FABULOUS FOURTH! Many thanks to our chairpersons John and Jan Talamo and Ed and Carolyn Shepherd. Get those ideas ready for an expanded parade and more floats. We will celebrate an old fashioned spirit-filled day, so be thinking of creative costumes or just come along for the fun.
