WALNUT CREEK, CALIFORNIA

CABANA CLUB CORNER

With spring days already here, plans are well underway for an exciting summer season at our Cabana Club. Join us at our annual "get the pool ready workday" on Saturday, April 20 at 8:30 a.m. All helpers should be thirteen years or older. If you cannot come until a later time or have only a short time to work, feel free to come whenever convenient. contact John Rooney (930-8634) to volunteer your services and plan to stay for John and Jerry's special gourmet barbecue lunch. Don't wait for a special invitation -- join your neighbors on April 20!

If you know of any prospective Cabana Club members, please refer them to Pam and Fred Rattaro (676-1715) for membership information. All 1991 billings should have been received -- annual fees are due April 13. Contact Pam or Fred if you have any questions or did not receive your bill.

Lifeguard applications are still being accepted. Contact Wayne Wilkinson (939-1394) for information.

Would you like to be involved in the planning of this year's summer activities at the pool? The more input we receive the more successful our summer program will be. Please contact Vice President Annette Babbitts (933-5672) with suggestions and/or to volunteer to help.

Our first activity of 1991 was the art auction party on February 9. We raised around \$3,000 for the Cabana Club which helps our effort to maintain dues at current rates. Many thanks to a very special lady, Paulette Homich, who organized the event. We are all indebted to Paulette for her enthusiasm and leadership. We thank also Wayne Wilkinson of Crogan's for his donations, Fran Vickery for her marvelous deserts, and the members of the Masonic Temple. Thanks to all the children who distributed invitations throughout the neighborhood. Above all, we thank the Cabana Club members and friends who supported our effort by attending the event and by providing hors d'oeuvres and desserts for all to enjoy.

WOODLANDS SWIM TEAM BATHING SUITS

The 1991 swim season will find our team members outfitted in a bright new lycra Arena swim suit. The style is called G-Clef and the color is sapphire. From a style show attended last October, a suit was chosen that hopefully will be functional and flattering for our swimmers. Cut, pattern, lining, backs, color and overall appearance were some of the considerations in choosing a suit.

Sports Unlimited in Lafayette will again be carrying our suit for us. They will be bringing suits to sell at the swim team sign-ups at the Cabana Club on Saturday, April 13. The suits will cost \$40.80 for all female sizes and \$20.80 for all male sizes.
