PRESIDENT'S MESSAGE

The Walnut Creek City Council elections results are final. Woodlands resident and incumbent Council member Gail Murray was re-elected. Despite endorsement by the Contra Costa Times of election rivals Graves, Hall and Lucas, Gail received the second highest vote totals and she was one of three Council members elected. This is a tribute to Gail's leadership and organization and to considerable grass-roots support from within the Woodlands itself. Congratulations to Gail and to all those whose participation made the election so efficient.

Each month the Woodlands Association holds its Board of Directors meetings at a location announced in this newsletter. These meetings are open to all members and the public is urged to attend and get involved with the Association's functions.

REMEMBER!! The Cabana Club Pancake Breakfast will be held on Saturday, May 15, 1982. A terrific breakfast will be served from 8:30 a.m. to 11:30 a.m. Everyone is welcome to attend, member or not!

The summer swim season is just around the corner and, for your comfort, some beautiful new lawn furniture has been purchased. It is all of our responsibility to stress, STRONGLY, to our kids that this furniture is expensive to replace and that its abuse will ABSOLUTELY NOT BE TOLERATED!! We all work hard to make our club an attractive, pleasant place for everyone to use and enjoy. Anyone guilty of vandalism to the club premises will be held liable and responsible for repair or replacement of any equipment damaged.

We all look forward to a wonderful summer of fun!!!
