3 Retail Development Possibilities - Safeway Property Update

By Justin Wedel

On March 27th the City of Walnut Creek held the 4th of 8 Advisory Committee (“AC”) meetings to discuss the proposed development of the 25-acre Shadelands property owned by Safeway. This property is located directly across from the Woodlands neighborhood at the corner of Oak Grove Rd. and Ygnacio Valley Rd. The focus of the meeting was to review three retail possibilities created by the AC’s external consultants.

Many residents from the Northgate and Woodlands neighborhoods were present at the meeting, including your Woodlands board members. Those in attendance were provided time to give feedback to the AC at the end of the meeting. Approximately 10 individuals spoke their opinions about the possible development at the site. No one spoke in favor of another shopping center.

The next monthly meeting will cover the economic and traffic issues that will be created if this development is allowed to move forward. Whatever your feelings are about the proposed development, you are highly encouraged to join in the discussion, and thereby potentially shape the outcome of this process. If you can’t attend a meeting, we invite you to email your opinion to the Woodlands Association - woodlandsassn@yahoo.com - and it will be presented at the AC meeting.

The Advisory Committee will be meeting in the 3rd floor conference room at Walnut Creek City Hall from 6:30pm – 8:30pm to discuss this project on the following dates:

AC Mtg. #5 – Wednesday, April 25, 2012

AC Mtg. #6 – Wednesday, May 23, 2012

AC Mtg. #7 – Wednesday, June 27, 2012

AC Mtg. #8 – Wednesday, July 25, 2012

More information is available via the City website on this project: http://www.walnut-creek.org/citygov/depts/cd/planning/shadelands_gateway_specific_plan.asp.

Want to Write Something?

The Woodlands newsletter provides a community service by keeping neighborhood residents informed about issues and events of interest. We encourage Woodlands residents to submit articles for the newsletter and we regularly receive articles that are published in the newsletter.

If you would like to contribute an article, please contact us and we will be happy to work with you to help get it edited and published. Our publication guidelines are relatively simple – topics should be of interest to Woodlands residents, the newsletter can not be used as a forum to air issues between individuals, and articles may need to be edited to fit within available space (typical length is 200 words or less). To meet our publication schedule for a monthly newsletter, we have established a closing date of the 10th of each month. To the extent that space is available, articles received and ready for print by the 10th of the month will be published in the next version of the newsletter.

We appreciate your help in making the newsletter as informative, useful, and relevant to Woodlands residents. To submit an article, please write to woodlandsassn@yahoo.com.

Next Neighborhood Meeting to Discuss Proposed Shadelands Gateway Specific Plan

By Deb Karbo, Development Director

In addition to the public AC meetings which are held once a month, Property Development Centers (a Safeway Company) is hosting community meetings in the existing office building located on the site. We invite all members of the Walnut Creek community to attend. The purpose of the meetings is to update the community on the progress of the AC and to listen to your comments regarding the future development of the site. Property Development Centers will share the feedback from the neighborhood meetings with the Advisory Committee at the ensuing AC meeting.

We held the first two neighborhood meetings on February 8th and April 10th and had good turnouts! Our next meeting is scheduled for **May 8th from 6:45 pm to 8:30 pm**. Please join us. For those neighbors that own businesses in the Shadelands Business Park, your employees are also welcome to attend these neighborhood meetings.

For your convenience we have also scheduled the following meetings so that you can place them on your calendar. We will send notices of the meetings two weeks prior to each.

Upcoming Woodlands Board Elections

By Ed Wohlers

Are you looking for an opportunity to become more involved in our community? The Woodlands Board of Directors is comprised of four elected and several appointed positions. As required in the by-laws, the elected positions serve two-year terms. Board of Director positions that are up for election in 2012 are President and Secretary.

The President leads the Association and has general supervision, direction and control of Association affairs, subject to the control of the Board of Directors. Responsibilities include corresponding with existing and potential advertisers, communicating with neighbors, and representing the neighborhood at government meetings, with a time commitment of 5-10 hours/month. The Secretary maintains the corporate records, meeting minutes, records of the proceedings, and other projects as necessary, with a 1-2 hours/month commitment. Both positions require regular attendance at monthly Saturday morning board meetings.

All residents of the Woodlands over the age 18 are eligible for these positions. Interested candidates are invited to submit brief statements of interest (up to 200 words) to the Woodlands Board for consideration. Eligible candidates' statements of interest will appear in the June newsletter. A ballot will be included in the July newsletter. All submissions and any questions should be sent to the Woodlands Board at woodlandsassn@yahoo or P.O. Box 31085, Walnut Creek, CA 94598 no later than **May 3rd, 2012**.

Introducing Newsletter Coordinator, Adrienne Robillard

I grew up in Kailua, Hawaii. After graduating from UC Santa Barbara I moved to San Francisco where I worked as an editor at Macworld magazine during the dot com boom, taught English at Berkeley City College, and most recently managed online marketing accounts for Johnson & Johnson's international baby brands. My husband, Dan, and I moved to The Woodlands with our children, Bea (4 years old) and Ian (2 years old) in November of 2010 from Oakland. We are enjoying living here and I look forward to being more involved with the community through The Woodlands Association.
