GIRL SCOUT NEWS

October 16th was Girl Scout Clean-up Day at the newly opened Sugarloaf Area of the Walnut Creek Open Space. Armed with rakes, trash bags, pruning shears, etc., the scouts cleared and cleaned the creek and surrounding area so it would be more inviting to the public.

Please open your doors on November 6th to Girl Scouts from Troop 208. As part of the Salvation Army's Good Turn Day, these 5th graders will be distributing bags to be filled with usable discards. The following Saturday they will return to collect the filled bags. The contents will be taken to the Salvation Army workshop for sale in their thrift shops. This is the third year this troop has participated in this annual event.

The sixth grade girl scouts served as docents at Shadeland Ranch Historical Museum for the month of October. They will be taking another turn in January. Look for them to guide you through the house on Sunday afternoons from 1 until 4.

Brownie Troop 62 traveled to Brentwood on a beautiful fall afternoon for walnut picking. The 13 scouts in this third grade troop picked well over 100 pounds of walnuts.

Third grade troop 105 camped overnight at Borges Ranch on October 8th. As part of their community service they planted two almond trees in the orchard there.

The second grade brownies from Troop 1883 will soon be collecting Thanksgiving food items. They expect to provide dinner for a family that might otherwise go without.

Troop 970 had a fun trip earlier this month. They toured Chuck E. Cheese's Pizza Time Theater. They saw the kitchen and the behind the scenes working of the restaurant.

A girl scout organizer is needed for this area. The job involves coordinating the troops at Valle Verde. It means working with the adult leaders rather than the scouts. If you can help, call Ann Wallace at 935-7295.

REMEMBER!! The General Meeting and Election of Officers is scheduled for Tuesday, November 16, 1982, at 8:00 p.m. The meeting will be held at Valle Verde School. If you are unable to attend, please be sure to get your Proxy Vote to Lynda Fabrizio, prior to the meeting. We hope to have a good turn-out!!

One of our members has taken the initiative to plan a Christmas Party for our members in 1983. As you might suspect, a function of this magnitude takes a lot of planning, telephone time, etc. What we would first like to establish is just how much interest can be generated. If this idea appeals to you, please contact any one of the Board members. Input is essential!!

If anyone is interested, there were a number of cases of soda left over after the Invitational. If you would be interested in buying some, at a very nominal charge, contact Anne Meyer.

Invitational Director: Caroline and Nick
(932-7112)

To Anne Meyer: Many thanks and much appreciation for all her work as our secretary this past year! She did a super job - putting in many hours typing and coordinating the purchase and sale of team T-shirts.

To Richard Hilsen: Very special thanks for an outstanding job as Invitational Director! Richard and his wife, Carol, with their outstanding efforts and strong organization, have been responsible for the success of this prestigious event held annually by our Swim Team. All of us appreciate those years of hard work!

The Swim Team Committee extends their appreciation to all of the families who took the time to complete and return the Swim Team Season Evaluation. The percentage of return was a fantastic 40%! As was discussed at the recent Parents Meeting, we received many constructive comments and suggestions upon which we will be able to improve and pass our future program. We want to implement the goals and ideas that will work.

HAVE A GREAT "OFF SEASON" !!!

SWIM TEAM NEWS

Thank you SWIMMERS, COACHES AND PARENTS for a successful and fun-filled swim season. We have a great group of swimmers with lots of potential and team spirit. Their parents are pretty terrific, too!!! We are all looking forward to Summer '83!

The Swim Team Committee has been elected for 1983 and we are already working hard to plan and schedule a strong goal-oriented program for all swimmers.
